New Maps, New Strategies, New Experiences, and New Achievements From the Creators of Defense Grid

Defense Grid: Resurgence Map Pack 3

Urban Planning and Tactical Diversion - It's the third of four great map packs in the Resurgence series. *Urban Planning* is a dense environment with restrictive build spaces, forcing difficult decisions against continuously attacking hordes. In *Tactical Diversion*, survey the small, snow covered platform and consider numerous possibilities. But be prepared for the aerial assault!

About Defense Grid: Resurgence

Defense Grid: Resurgence is the first set of premium expansion for *Defense Grid: The Awakening* and is made up of 8 new highly polished and balanced maps from the original creators. Each week in June over four consecutive weeks a new pair of maps will be released providing new environments and strategic experiences and requiring new ways of thinking to beat back the aliens and protect your cores. Each map pack contains 2 maps each with a campaign mode and 4 additional modes associated with the design of that level. New Steam achievements and high-score leaderboards are associated with each map pack.
